

The Tennessee Manufacturers Association (TMA) is proud to partner with leading industry providers, offering special discounts to our members. With access to a variety of discounted products and services, your TMA membership provides significant value to your company, employees and clients.

EMPLOYEE BENEFITS & INSURANCE

TMA members are eligible for exclusive discounts on Aetna Funding Advantage health benefit plans. Members with 2-100 employees can save \$500 per enrolled employee.

Form a well-rounded benefits package and utilize exclusive pricing on dental, vision, life, disability, worksite, and legal plans through your TMA membership.

The Bridge built by Citi® platform provides businesses the opportunity to connect with a diverse group of over 75 community and local banks through submission of just one loan application.

HR Simple provides access to Tennessee-specific HR Compliance Manuals, webinars and communications, creating a pathway to better understanding labor and employment laws. Available to TMA members at a 20% discount.

Salary.com is the global leader in providing compensation market data, software, and analytics. Salary.com offers 3 FREE Benchmark job reports and discounts to TMA members.

TMA's partnership with LBMC, a Professional Employer Organization, offers members preferred access to a co-employment arrangement and a suite of HR, payroll, tax, insurance, and retirement services.

FACILITY SERVICES

Aramark offers 20% savings to TMA members on uniforms, mats, mops, towels, first aid, and other essential facility services.

TMA members can manage and cut costs, achieve budget certainty, and meet sustainability goals with advanced technology and a customized natural gas strategy.

TMA members save 15-30% on office, cleaning, workroom and tech supplies, and print services.

Connex Marketplace is a US Manufacturing supply chain platform connecting all US manufacturers. Through your TMA membership, find and be found in the FREE Tennessee-specific version and the significantly discounted national option.

TMA member only pricing on industrial waste disposal, parts cleaning services, used oil recovery, and other related services. Minimum 25% discount.

WORKFORCE SOLUTIONS & SAFETY TRAINING

Veryable is an on-demand workforce solution connecting businesses with high-quality manufacturing and logistics workers at the click of a button, enabling businesses to create a talented labor pool. TMA members receive significant savings.

Tennessee OSHA improves occupational safety and health through enforcement of general industry, construction and agricultural occupational safety and health standards in workplaces. TMA members receive a discounted rate on all TOSHA training classes.

Peak Performance provides manufacturers with trainings, connections, collaborative relationships, and certifications that improve manufacturing processes and promote operational excellence. TMA discounts available.

The Smart Factory Institute offers innovation and workforce training for manufacturing companies, big and small. TMA members receive a discount on trainings.

The Tennessee Manufacturing Extension Partnership works with businesses to provide assistance with process improvement, technology acceleration, cybersecurity, workforce development and business & leadership management.

Leverage the TMA network and SAVE today!
